

**Next Meeting is July 15th,  
Potluck at Noon,  
Meeting at 1:00 p.m.**

Agenda for the upcoming meeting.

1. Club agreement with museum
2. Release and Indemnity
3. Museum news: Don Evans,
4. Power show
5. Mirrors for tractors for tractor runs
6. Liability for fair show
7. Name tags for personal equipment left on grounds

I hope to see everyone at our club meeting on the 15th of July. This could be a very important meeting as we need to discuss the "Release and Indemnity" form from the museum and City of Union Gap and also the agreement between the Club and the Museum. We have not updated our agreement with the museum since 2015. This is a very important matter and could effect you. Please plan to be at our meeting.

President: Rose Parker

## 5/20/23 MEMBER MEETING Ag Museum 1 PM

President, Rose Parker, asked the Vice President, Kent Blomgren, to assist her in conducting the meeting.

Kent called the meeting to order.

The secretary was asked to read the minutes of the last meeting; which she did. George Streby made a motion to accept the minutes as read and Greg Blomgren seconded it. Motion passed.

The treasurer reported \$34,074.95 in our account. There are 72 paid members. John Kobli made a motion to accept the report and Dave Matson seconded it. Motion passed.

**AG MUSEUM UPDATE:** School tours, Old Town Days. Pioneer Power Show; all of which need more help. Paul Strater, from the museum, informed the club of the events coming up. He also told us about Ellen Almendinger who wrote a book on the Civil War. She will be selling her book at the Old Town Days. There is also a group who are trying to find Civil War veterans from here.

**CLUB AND PERSONAL EQUIPMENT:** The newsletter contained a copy of the liability disclaimer in it. We can keep our equipment on the grounds as long as it is needed if we have a liability form filled out for each item and they have been approved by the accession committee. This committee will consist of equal members from the club and museum.

**POWER SHOW:** We are in need of people to work at the show. The pulling track is being moved further east. Sandy Allen said she is willing to sell corn and watermelon again this year. Steve Bishop suggested a special apple corer at the show which takes the core out of the apple only. This will make kids happy and eliminate finding apple cores all over the park. It is time to contact food vendors. Karen's Curly Fries was suggested.

**TRACTOR RUN:** A report was given by John on the tractor run to the Zillah parade. In spite of a few problems, it was really enjoyed.

SPONSORS: Sponsors added to the list for the year are Borton Fruit, Joel's Tires and Yakima Battery.

The high school tractor pull is being moved to May 26, 2023. Jim Kabrich found the old scales and is restoring it.

LINDEMAN BLDG TAKE-BACK: John talked with Dick Drew and Nick Schultz, from the museum, about horse stuff in the building. They are trying to figure out how to move it. Where all the old toys are, shelving will be provided which will get the toys off the floor providing more storage area.

Kent explained that \$350 was needed to get the Massie Harris tractor running and ready for the Pioneer Power Show. George made a motion to approve the request and Greg seconded it.

Motion passed.

George made a motion to adjourn the meeting and Jim seconded it. Motion passed.

Carol Blomgren, Secretary

Zillah Tractor run.
